

# COOKIES

## What is a cookie?

A cookie is a small file that can be placed on your device that allows companies to recognise and remember you. When you visit our site, the 3rd party services we use may place analytics cookies on your device. This helps them collect data about their service and helps them display relevant content.

## Your preferences

Enable optional analytics cookies

<Insert Update Preferences Button>

## What types of Cookies Do We Use?

Cookie	Name	Type	Purpose
Analytics Consent	analytics_consent	Essential	This cookie is used to remember your choice about analytics cookies on your device. If you have previously indicated a preference, it will be stored in this cookie.
Google Analytics Cookies	_ga, _ga_<container-id>	Optional	We use Google Analytics to monitor how people use our websites and digital systems, for example to see which pages are most popular. Google Analytics uses cookies to understand when users return to our sites. We use Google

			Analytics to track anonymous behaviour of users, and not to track individuals.
